# Drape Cluster 7

SkLO

## **DESCRIPTION**

The drape cluster 7 consists of seven individual pendants clustered into a neat geometric group. Each pendant features a 4 1/2" (11cm) or 7" (18cm) diameter hand blown glass sphere suspended on a fabric-wrapped electrical cord. The glass spheres are hand blown Czech glass, each with a double-dipped fire-polished mouth where the piece is broken from the glass master's pipe, making each unique.

## **FEATURES**

- glass available in transparent clear, olive, and smoke or opaque new blue and white
- finishes available are dark oxidized, brushed brass, with others available upon request
- cord color options are black, blue, gold, or gray
- solid brass canopy with exposed fasteners

## **DIMENSIONS**

- 13.5" diameter with 4.5" spheres or 21" diameter with 7" spheres  
12", 18", 24", and 36" cord lengths available
