Drape Composition 1

SkLO

DESCRIPTION

The *drape composition 1* is a pendant fixture with two lit glass spheres of different diameters suspended by fabric wrapped electrical cords from a single canopy. One sphere is 4 1/2" (11cm) diameter, the other is 7" (18cm) diameter. The small sphere comes with a brass loop attached to the cord and is then hung from the included brass ceiling hook; the large sphere hangs straight down. The glass spheres feature double-dipped fire-polished mouths where the piece is broken from the blower's pipe, making each unique.¹

DIMENSIONS

7" and 4.5" spheres hung from 30" cords

FEATURES

- glass available in all white or blue palette
- standard metal finishes are dark oxidized or brushed brass, with others available upon request
- cord color options are black, blue, gold, or gray
- solid brass canopy with exposed fasteners
