Drape

SkLO

DESCRIPTION

The *drape* pendant is a minimal pendant consisting of a single lit sphere of handblown Czech glass suspended on a fabric-wrapped electrical cord. Choose from either a small 4 1/2" (11cm) diameter sphere, or a large 7" (18cm) diameter, both available in five glass colors. The spherical glass diffusers feature the signature SkLO double-dipped, fire-polished mouths which show where the glass is broken from the blower's pipe, making each unique.
