# Dune Mirror

Bower

## **DESCRIPTION**

Bower continues their exploration of trompe l'oeil mirrors with the Dune Mirror. As a departure from their previous collection of mirrors which depict singular solid shapes (Shape Mirrors), they have created a textured effect through a simple repeating pattern, which can be found throughout their Dune furniture collection.

## **FEATURES**

- clear or peach mirror
- walnut frame
- can be hung horizontally or vertically
- variety of mirror tints available by request

## **DIMENSIONS**

- 63" x 26" x 1"thick
