Dylan Low

Rodolfo Dordoni

DESCRIPTION

The timeless, multifaceted stylistic language of the distinguished yet cosy Dylan modular seating system is also expressed in the Dylan Low version.

With a more classic and traditional identity, raised 7,5 cm off the ground, this version effortlessly interprets a timeless taste. It is capable of expressing multiple aesthetic and compositional languages, fitting with ease into environments with different uses.

With its sophisticated wealth of subtle, but important details, such as the stitching and the curved silhouette of the backrest and armrest, Dylan Low stands out for its ability to make a discreet yet strong impact.
