Embrace - Quick Ship

DESCRIPTION

Its classic-inspired forms are reassuringly solemn, distinguished, yet also inviting. The refined simplicity of the Embrace bed echoes the warmth of an embrace, a retreat to a safe haven. The dominating feature of the bed, the curved headboard, cocoons the main body of the bed in an inviting, material embrace, offering protective, reassuring shoulders. The version without an under-bed storage container can accommodate a recessed mattress. Concealed legs raise the structure a few centimeters off the floor in a delicate, almost indiscernible appearance of floating.

QUICKSHIP OPTIONS

Aquarius 01 (off-white) Fabric

FEATURES

- Made in Italy
