Ettore Table- Quick Ship

DESCRIPTION

Sculptural, symbolic, bold: the table stem from a desire to have fun assembling three classic, primary, geometric elements in an ironic way. Ettore pays homage to master designer Ettore Sottsass, a visionary pursuer of design that would break the traditional aesthetic rules, going beyond the purely ornamental and venturing into the realm of emotional, social as well as aesthetic experimentation. The intention behind the Ettore table was to pay tribute to this philosophy and to aggregate, surprise and stimulate. The central leg, monumental in size, tapers at the base to produce a lighter look and suggest an ironic contrast between the parts and an unexpected effect, fooling the eyes into believing it doesn't touch the ground.

FEATURES

- Made in Italy

DIMENSIONS

- Ø 63" x H 29"

QUICKSHIP OPTIONS
