# Eyeshine Mirror

Anki Gneib

## DESCRIPTION

Simple geometric shapes, a combination of circles and ovals, recreate scenic suggestions that bring to mind the mystical powers of the eye and delineate the outline of the EYESHINE mirrors devised by the designer Anki Gneib. The steam-bent ash encloses the reflecting surface and shows different sizes, expanding the eye's searching echo.

## FEATURES

- curved ash-wood
- available in three styles and two sizes
- available in natural, black, white, gold, or silver

## DIMENSIONS

Large (Double Circle)

W 25.2" x D 1.6" x H 25.2"

Large (Circle Oblong)
