Fil Noir Dining Chair

GamFratesi Design

DESCRIPTION

The Fil Noir little armchair has the same elegant design and enveloping shape as the eponymous armchair. A little armchair that beautifully blends formal elegance and great comfort, thanks to its metal and polyurethane foam structure. A cushion made of flexible thermoformed material and polyurethane foam lends additional softness to the backrest.

The padded structure rests on elegant, slender legs in matt Black painted metal tubing, embellished with details in polished Gold, Light Bronze or Black-Nickel finish.
