FLAT Dining Table

DESCRIPTION

The FLAT dining table is a design table produced with welded powder coated aluminum profiles and 100% recyclable polyethylene or Dekton® slats. The white, sand and anthracite tabletop colors, are produced with polyethylene. While the bronze tabletop is made with Dekton® ultra-compact surface.

More than just an outdoor table, the simplicity of its design combines with any style and different types of outdoor space, balconies, terraces, gardens, hotels, and more. If you prefer, you can also use it indoors.

FEATURES

- Indoor & Outdoor use
- Made in Spain

DIMENSIONS

- 108"L x 36"W x 29"H
