Flock of Light Chandelier

Studio Toer

DESCRIPTION

Flock of Light, by Studio Toer, transforms from a light and airy artistic design piece at daytime, to a swarm of bright lights at night. Flock of Light comes in two sizes: 11 and 21, after the number of light sources. Both sizes are made from brass cups, bronze wires and semi-transparent polycarbonate diffusers. This suspension lamp brings a bright, warm and poetic glow right after dark. A Flock of Light captured in stillness.
