## **DESCRIPTION**

Harmony, balance and light-looking frames are inspired by the Japanese culture. Minimalist, elegant lines design an understated yet evocative bed. Solid ash or walnut wood is elaborately processed. Milled and turned with the skill of a craftsman, it becomes perfectly smooth and rounded. The headboard and the mattress base – that contains a structural base consisting of curved beech beech wood slats – are padded and upholstered.

## **FEATURES**

- structure in solid wood with Walnut finish, or in solid ash painted in: Borgogna, Walnut, Fumed Oak, Gray Oak, Laguna Oak, Natural Oak, Tobacco Oak, Natural Ash
- headboard and mattress base upholstered in fabric, leather, or synthetic leather
