## **DESCRIPTION**

The Fynn family comprises armchairs, lounge and dining little armchairs, benches, poufs and coffee tables.

The Fynn armchair and little armchairs feature an ultra-lightweight aesthetic with a minimal frame in ash wood with Liquorice colour stained finish. This hosts a padded seat and backrest cushion, designed as a single element. The informal rigour with which Fynn hosts the upholstered element designs a comfortable seat that almost cradles the body, wrapping it in the warmth of the wooden structure.

In the Fynn Saddle-Hide version, a single saddle-hide element incorporates both the seat and backrest. The armchair and lounge little armchair have separate padded cushioning, which is optional in the dining little armchair.

The saddle-hide covering comes in an extensive colour palette, spanning from Burgundy to Ash, Dove Grey, Sage, Mud, Moka, Black, Bulgarian Red, Moss Green, Green, Pewter, Corten, White and Grey.

The Fynn conceived for the dining area includes the version with fully padded shell and, alternatively, the Saddle-Hide version with or without cushions.

## **FEATURES**

- Structure in solid ash with open-pore Licorice color stained finish
- Available in a range of fabrics and leathers
- The saddle-hide shell comes in colors: Moss, Green, Pewter, Cognac, Corten, Bordeaux, Ash, Dove Grey, Sage, Mud, Moka, Black, Bulgarian Red, White and Grey
