Gallery

GABRIELE E OSCAR BURATTI

DESCRIPTION

Gallery is a sideboard with a clean and rational design.

Its main feature is the two doors that, sliding upwards and downwards, reveal a rich and functional interior space, ideal for storing valuable tableware.

The appeal of this sideboard is also the peculiar effect created by the lighted back panel that highlights the internal matt lacquered shelves, available in one of the colors of the collection.

The light of the back panel can be dimmed and set from cold to warm through remote control.

Doors and external side panels are available in matt or glossy colors as well as in the Porro wood types.

The floor version of the sideboard rests on a minimal iron finish metal foot but it is available also in a hanging version.

DIMENSIONS

W 97.6" x D 19" x H 68.5/87"
