Gardenias Collection

Jaime Hayon

DESCRIPTION

Gardenias is a set of furniture for the garden that blend elegance and playfulness, subtlety and beauty. The sensuous lines develop a harmony with the sensible, durable heft of the material. Both hard and upholstered surfaces are available, along with a wonderful palate of color choices. The line includes an armchair, an armchair with a pergola, and a bench.

FEATURES

- structure made of cast and extruded aluminum
- removable upholstery and removable cushion covers
- waterproof
- perspirable fabric
