Globe

Joe Colombo

DESCRIPTION

The Globe is a lamp which was designed by Joe Colombo in 1964, created in table, suspension and wall lamp versions, available in two sizes. Its pure geometries co-exist in a constant balance between shape and functionality: the transparent blown-glass sphere contains the cylindrical metal reflector that projects its timeless light into space, available in satin nickel or satin gold – anodic bronze finishes.

FEATURES

- Satin nickel, Satin gold or Anodized bronze

DIMENSIONS

- 11.8"W x 11.8"D x 12.6"H
