Grain Side Table

Jaime Hayon

DESCRIPTION

It is a sculpture, or a table – elaborately turned from a solid block of wood. As a side table, the Grain Cut Side Table can be placed wherever it is needed due to its flexible handles. It is a shelf for your favorite book or a glass of wine or cup of tea. As a sculpture in the room it attracts attention and sparks discussions about art and design.

DIMENSIONS

16.5"W x 15.7"H x 11"Diam tabletop

FEATURES

- handcrafted from one piece of ash
- available in black stained and lacquered or RAL open-pored lacquered
