# Halley Outdoor Sofa

Rodolfo Dordoni

## DESCRIPTION

A family of chairs for outdoor use that echoes the visually striking design of the eponymous indoor armchair.

The metal structure is first sandblasted to remove any imperfections and then epoxy powder-coated in the following colors: Clay, Pewter, Sunflower, Khaki Green and Rust. The metal structure is completely covered in special polypropylene fiber that is similar to traditional woven wicker and comes in an array of sophisticated colors: Sand, Elephant Grey, Charcoal, Sunflower, Khaki Green and Rust. The epoxy-painted finish on the metal structure is color-coordinated to match the cord. It is in Pewter color when the cord covering is in Elephant Grey or Charcoal, and is in the same shade as the cord for the other colors: Clay, Sunflower, Khaki Green and Rust. The cushions have internal padding in high resilience expanded polyurethane foam and are covered in water resistant fiber and fabric. The completely removable upholstery covers come in a vast array of outdoor fabrics that look sensational when combined with the cord structures.

## DIMENSIONS

60.6"W x 31.5"D x 30.8"H x 16.5"SH

## FEATURES
