Headoffice Mono

Wolfgang C. R. Mezger

DESCRIPTION

Balanced geometry: the right angle of desktop and side floats on the reduced volume of the container. For visitors and users alike, a convincing impression of the powerful balance of dynamism and calm, opulence and understatement, expanse and cube. In the middle, the solid desktop with a striking side in select veneers. As an optional extra, the sliding leather cover provides access to media. The media connections are invisible from the PC container through the desktop cover right through to the work surface.
