

MINIMA

Heritage Rocking Chair

Philippe Starck

DESCRIPTION

Heritage is a stacking chair designed by Philippe Starck, inspired by the original 1006 Navy. The rocking version was designed for the world famous Bon restaurant in Paris. Intended as a "sit up" chair for working and dining, it's a symbol of Emeco's amalgamation of utility and beauty.

FEATURES

- made of recycled aluminum with hand brushed or hand polished finish
- outdoor-safe
- stackable up to 4 high
- optional seat pad available
- also available as stools and chairs

DIMENSIONS

With Arms: 20.8"W x 23.8"D x 33"H x 18"SH

Without Arms: 17.5"W x 23.8"D x 33"H x 18"SH
