Impunto

DESCRIPTION

Renewed and redefined, tradition is dressed up with contemporary, beautifully-fashioned accents. This imposing, refined design is dominated by the charm and prestige of the tufted finish, sewn strictly by hand. This finish goes beyond the classic, diamond-shaped pattern, following its own original, asymmetric design and informally dynamic style. The already large and magnificent headboard is even taller and more majestic in the Maxi version.

FEATURES

- Two sizes for headboard
- Available as a platform bed
