IPE Table

Piero Lissoni

DESCRIPTION

Functional, technological, multi-purpose, IPE is the new esthetically-raw table, with a glass top and black varnished iron U-shaped legs. An austere and industrial silhouette with a quirk: the inside of the legs is in rust color, because this year each object has a secret ingredient, designed to impress.

DIMENSIONS

L 180 x H 72.5 x D 96 cm L 240 x H 72.5 x D 96 cm
