

MINIMA

Iris

Soda Designers – Nasrallah & Horner

DESCRIPTION

The headboard Iris is the perfect complement to S IV Light and is, so to speak, offered in symbiosis with it. The lightness and the floating quality of the base are elegantly underlined. Its strikingly simple shape forms with S IV Light, a wonderfully delicate and casual unit. This delicacy can be given a little more opulence and expressiveness with a higher version of the headboard.

DIMENSIONS

Bed heights: 39", 47", 55"

FEATURES

- The bedhead can be combined with various bases, inserts and mattresses
