# Kube

Bavuso Giuseppe

## DESCRIPTION

The versatile, discreet Kube furnishing accessory line represents an elegant, sophisticated solution for the night area, satisfying various tastes and requirements in a sober manner.

The series features dressers, chests of drawers and bedside tables. Kube, minimalistic and essential, combines functionality with practicality. The items of furniture from this series may be easily combined and adapted, thanks to the large, capacious drawers that allow objects and/or clothes to be stored. The frame is made of heat-treated oak or MDF with matt lacquer. The surfaces and handles are covered in leather which may be matched with the covering of the bed.
