Lancaster Table

Michael Young

DESCRIPTION

You might have noticed the Emeco factory is close to Lancaster, Pennsylvania. A place also famous for Amish woodworkers. So we didn't have to look far for excellent and responsible wood sourcing.

Lancaster tables are made out of locally sourced, sustainably harvested ash wood with recycled aluminum details – a solid combination of craftsmanship and industrial technique.

FEATURES

- made of ash in natural or dark-stained finish with hardware in polished or powder-coated (light or dark gray) aluminum
- also available as bar or counter stools, or dining chairs

DIMENSIONS

- 48"W x 48"D x 30"H
72"W x 36"D x 30"H
60"W x 30"D x 30"H
