# LIDO

GamFratesi

## **DESCRIPTION**

Designed by Italian-Danish duo GamFratesi, Lido is a comfortable basket-like nest, with a round seat.

The design is inspired by the 1950s, one of the key themes of the 2021 Indoor Collection, expressed in a seat with a continuous, enveloping curved line that defines the padded body. The line recalls the typical stylistic marks of Brutalist architecture, with cushions adding a comfortable feel. The X-shaped sculptural base is its strong distinguishing mark.

The armchair is available in one size and with two types of bases. One is the X-shaped aluminum version covered in brushed ash with a Moka open-pore lacquered finish. The other features legs in solid wood: Moka lacquered open-pore brushed ash or matt polyester lacquered Dark Brown stained Canaletto walnut. A matching footstool completes the picture.

## **FEATURES**

- The seat and backrest cushions of the Lido armchair (with base or legs) are reversible. Covers: structure, seat and backrest cushions are completely removable
- VERSION WITH BASE: laminated MDF and aluminum, 19 mm thick, brushed ash veneer, open-pore Moka color lacquer finish
- VERSION WITH LEGS: made of solid brushed ash wood, with open-pore Moka color lacquer finish or in Canaletto walnut, stained Dark Brown, with polyester matt lacquer finish. The upper part of the legs is embellished with a decorative steel insert with a varnished Bronze color finish
- Available as a dining chair, coffee table and outdoor seating.
