Lim 3.0 Table

Fattorini+Rizzini+Partners

DESCRIPTION

LIM 3.0, a makeover of the LIM iconic family, renews and turns into a light and thin table, with a more up-to date and modern identity. The structure contained in the sections can receive different materials to offer an alternative option to monochromatism and single material structure. The frame and the built-in top flush with the new and sophisticated surfaces generate with LIM 3.0, a multi-purpose and chameleon collection, which enhances all its features.

FEATURES

- composed of top, legs and a perimeter frame in extruded aluminium available painted in matt white, graphite grey and anodized aluminum
- tops built-into the frame and need no fittings
- tops available in lacquered tempered glass, ceramic, or fenix, an innovative high-pressure stratified laminate
- table top available in a wide variety of colors depending on the finish
- tables available in the version equipped with 1 or 2 openings for cable access and an undertop cable tray

DIMENSIONS

- available in a wide range of dimensions and configurations
