Living Landscape 730 Sofa

EOOS

DESCRIPTION

The form shows function. Living Landscape 730 reacts flexibly to different situations. Sides and back turn with the seat and change their position. The side acts as a back, the back as a side. The result is a new perspective, a new impression of the room. What never changes is the clear form, authentic and logical. And the solidity, stability and top-quality design. The precise seams are a sign of true craftsmanship. Soft contours with correct lines. Individual comfort for prestigious seating in a small room, a lounge, lobby or loft.

FEATURES

- Seat and back cushions: fixed upholstery
- Formal look upholstery: cold foam core sandwich frame with polyester fiber wrap
- End and corner modules can be turned 90°
- Available as sectional

DIMENSIONS

- available in a wide range of dimensions and configurations, including custom sizes and configurations to suit the requirements of any space
