Low Lounger Armchair

Jaime Hayon

DESCRIPTION

In 2009 BD introduced a new piece in their collection: The Lounger. Now with the same elegance and comfort that is required for this type of chair, BD launches the Low Lounger. A version with a lower backrest, specially developed for the contract market and with the Jaime Hayon's unmistakable stamp.

FEATURES

- upholstery available in a range of fabrics and leathers
- varnished or natural walnut, or colored ash
- metal buttons
- swivel or four leg base
