Lox Chair

PearsonLloyd

DESCRIPTION

The next generation. The new bucket seat Lox reflects the spirit of the times. The clear silhouette with its flowing lines is pleasantly inviting: sculptural in shape, minimalist in materials, comfortable for the owner. On the outside, the sweeping bucket supports your back. Inside, the seat and back pads ensure comfort. Whether classy in leather or colourful in fabric, the pads provide an individual touch to your lifestyle. An elegant all-rounder – for lounging and dining, conferencing and contract. Whether on a four-star base or a tubular steel base, Lox swivels slightly. Welcome to the future.

The new variants with a harmonious five-star base and castors: sculptural in shape with all the advantages of a swivel chair - for all-round freedom of movement.
