# Manhattan

Soda Designers – Nasrallah & Horner

## DESCRIPTION

Manhattan is a very special headboard: it impresses with a motif that is flawless and unmistakably balanced at every height and width – its square quilting is masterfully executed. It is simple yet fascinating. It fits perfectly into a classic as well as a modern furnished bedroom due to its quiet elegance. It can be the center of attention or subordinated in an opulent environment. In the end, despite its straight forwardness, its cambered quilts give it a certain softness and comfort. Manhattan can do everything.

## DIMENSIONS

Bed heights: 39", 47", 55"

## FEATURES

- The bedhead can be combined with various bases, inserts and mattresses
