Morgan Round

Rodolfo Dorodoni

DESCRIPTION

Morgan is based on the traditional refectory table, reinterpreted in a more contemporary key through a series of sophisticated design solutions and the pairing of striking luxury materials. The supports are made of bronze metal sheet and feature a tapered diamond-shaped section while the top is characterized by a distinctive flared edge.

FEATURES

- rectangular top available in tobacco stained flamed Oak, Moka lacquered flamed Oak, matt Ebony and glossy lacquer finish in Sand, Caramel or Granite
- also available with a round top
