## Opla - Quick Ship

### **DESCRIPTION**

Eclectic and elegant, Oplà is the armchair equivalent of a warm, romantic embrace. A modern tub chair designed with rounded lines from head to toe and featuring prominent volumes and proportions offering comfortable, wraparound support. The seat consists of a high, soft cushion designed to slot perfectly into the hollow in the middle of the carcass. Resembling the veins of a flower, the stitching on the inside of the backrest plays up the harmonious geometry.
