DESCRIPTION

With its innovative design, inspired by the 1950s, the Osaka rug features a pattern with a strong visual identity.

Proposed in Ash colour, the Osaka rug complements environments with a contemporary feel.

It is the result of the continuous, constant search for innovative, exclusive solutions staged by the Minotti Studio, along with the virtuous collaboration of selected partners.

The wool used is sourced in New Zealand, guaranteeing a solid, proven quality, and endowing the rug with a refined aesthetic, high durability, sound-absorbing qualities and a pleasant, soft texture.

Osaka is available in various shapes – round, square and rectangular – and can also be custom-sized.
