## DESCRIPTION

When a Swiss designer famed for the diligence he brings to every project teams up with an Austrian manufacturer known for its outstanding handcraftsmanship and precision, a compelling piece is the only logical outcome. Oyster is an out-of-the-ordinary piece that comes in a choice of four sizes. It clearly communicates Wittmann's tradition of handcraftsmanship and quality, conveying a contemporary and individual impression through its bold appearance. The sofas, chairs and footstools offer matchless seating comfort, making this a particularly versatile family, for a full range of uses. Precise raised stitching creates a surface structure that is pleasing on the eye and to the touch.
