# Pebbles Floor Lamp

Boris Klimek

## **DESCRIPTION**

Pebbles are reminders of exceptional moments or favorite places. Their diverse shapes and colors inspired BOMMA's playful collection that invites you to express your creativity. It provides options for creating distinctive combinations. Just as with stones, the crystal components of the Pebbles Collection are absolute originals, thanks to hand-blowing. String the colorful shapes onto its inner light source as you wish and create elegant objects that transform into artworks in any interior.

## **FEATURES**

- Mouth-blown lead-free crystal in black, light grey, white, green and red
- Available in different configurations
