131 & 118-120 N 3rd Street

Philadelphia, PA 19106

PH Snowball

Poul Henningsen

DESCRIPTION

The fixture emits comfortable glare-free diffused light. Matt painted undersurfaces and glossy top surfaces result in an attractive reflection of the diffused light, creating uniform light distribution around the fixture. When the light is switched on, the top portion is illuminated while the bottom part remains dark.

FEATURES

- White lacquered aluminum, high-luster finish on top and matt finish on the underside
- Frame: bright chrome plated aluminum
- Canopy: Yes
- Cord: 118"White fabric

DIMENSIONS

- Ø15.7" x 15.3
