# Pollock Sofa

Rodolfo Dordoni

## DESCRIPTION

Pollock is the quintessential sofa, as designed by Minotti. With a contemporary eye, the Pollock seating system revisits the aesthetic values that distinguished the eponymous seating system, a company best-seller at the end of the '90s. The original high foot in metal with its distinctive design and the proportions of its shapes, outlined in elegant piping, lend decorative appeal that is perfectly poised between classicism and modernity. Thanks to die-casting technology, the design of the foot softens into more sinuous lines while the Pewter color finish accentuates its refined elegance.

A subtle quilted motif enhances the Pollock seat cushions and exemplifies how a talent for tailoring is an integral part of the company's DNA, and evident in every detail of construction.

Pollock is an extremely versatile sofa that can play a starring role in any setting and be dressed with cool elegance in all the fabrics and leather options the exclusive Minotti collection.
