# Rialto

## **DESCRIPTION**

Audacity and an innovative spirit make for design with a modular personality. Bold, modern shapes softened by rounded edges are interrupted by very decorative spacers available in wood or with a lacquered or metallic finish. There are three design options for the headboard: low for the Base version, high with a double trapezoidal panel for the Rialto Diritto model and stately and curved for the Large version. The whole frame is padded and upholstered in removable fabric or leather

## **FEATURES**

- Three headboard options depending on the bed size
- Available as platform bed
- The frame is padded and upholstered in removable fabric or leather
