Rock Table

Jean Marie Massaud

DESCRIPTION

A new timeless icon: a round table with a flowing, elegant silhouette which fully reveals the nature of what it represents - "a round table" that seems to float above a solid, inorganic base. A mixture of natural and industrial materials that are blended to create a new product with a smooth design, following the same philosophy of Flow collection. A refined solid object, light and stable, radical as well as sensual. Rock Table is a collection of tables suited to both home and contract settings.

DIMENSIONS

Wide Base

Small diam. 47.2" x W 19.6" x H 28.7"

Large diam. 55.1" x W 19.6" x H 28.7"
