# Rollingframe

Alberto Meda

## **DESCRIPTION**

The frame collection is characterized by PVC covered polyester mesh available in many color variants, with a structure in extruded aluminum and die casting components. Comprised of an array of products, each designed differently to combine comfort and function, the frame is a successful collection that has become over the years an icon for other collections.

## **FEATURES**

- Available in a wide range of fabric and finishes
- Adjustable height
- Tilting mechanism
- 5-star swivel base
- With or without armrests
- 4-star base with glides is available
