Segno Dresser

Pianca Studio

DESCRIPTION

With their subtle design and distinctive details, Segno bedside and drawer units add a fresh, modern accent to any bedroom. Compact, modular arrangements create customized space-saving solutions thanks to the wide range of sizes available. The distinguishing feature of this line is the way the linear handle is carved out of the exceptionally thick fronts. The aligned handles – that can also mirror each other – produce an interesting alternation of distinctive, horizontal “marks”.
