## Shark Chair - Quick Ship

### **DESCRIPTION**

Dining chair The Shark – a new, extremely comfortable dining and meeting chair designed by René Holten. A model that acquired its name because its profile resembled that of the feared predator. However, you have nothing to fear from this shark. On the contrary. It's an extremely comfortable chair to sit on. Sturdy with extra back support. A delightful chair for a long evening around the table, or for a productive meeting.
