DESCRIPTION

A sofa that explores the historic oriental roots of comfort, of true physical ease, free of constraints. The same freedom found in the choice of coverings, organized by chromatic themes, ranging from velvet to plush to lamé.

Totally unfettered relaxation, inspired by the East.

Comfort is ensured by the softness of the rectangular sommier padded with Gellyfoam®, accompanied by a series of cushions with different consistencies: two Thai pyramid cushions to use as a back, two large square cushions for an enveloping backrest, a rectangle and a cylinder as soft armrests. The removable covers range from the softest velvets and plushes to sparkling lamé.
