Song

Rodolfo Dordoni

DESCRIPTION

A lavish collection of extremely versatile coffee tables, thanks to the variety of finishes, shapes, and number of sizes available.

Made entirely of solid brushed oak with a painted Black finish, the base of the Song coffee tables reveals its ancestry, firmly-established in the cabinet-making tradition, while the finishes for the table tops communicate an irrepressible desire to experiment with unconventional materials and sophisticated colors, each of which can be traced back to different stylistic interpretations.

They range from backpainted glass in Sand, Granite and Black; to glossy lacquer finishes in Sand, Granite and Moka; brushed larch with Licorice stain; and a luxurious Calacatta marble.

FEATURES

- tops available in backpainted glass in Sand, Granite and Black, or glossy lacquer finishes in Sand, Granite and Moka, or brushed larch with Licorice stain, or Calacatta marble
- all tops are supported by black laminated MDF structural panel
- legs in solid brushed oak in black lacquer finish
- adjustable metal feet in Light Gold finish

DIMENSIONS

- available in a variety of shapes and sizes
