Soso Chair

Jean Nouvel

DESCRIPTION

For the SoSo Collection French designer Jean Nouvel drew upon his "philosophy of nothingness" to create the simple, lightweight. "I just kept the same Emeco DNA and evolved it into a new light and comfortable chair", the SoSo armchairs are handmade of 80% recycled aluminum, by Emeco craftsmen using the same process Emeco has employed to fabricate the famous 1006 Navy Chair since 1944.

FEATURES

- made of recycled aluminum with hand brushed finish
- optional seat pad available
- also available as counter or bar stools

DIMENSIONS

21"W x 16"D x 30"H x 18"SH
