STACK Chaiselongue

DESCRIPTION

The STACK chaise longue with wheels completes the collection. It is a designer chaise longue made from welded powder coated aluminum profiles, available in anthracite, white, bronze, sand... Special outdoor Batyline® fabric is employed in the seat and back, which is adhered to the aluminum structure. Do you prefer a more comfortable finish? You have the option of adding a mat covered with water-repellent fabric, as well as a Sunbrella quality removable fabric cover, which you may customize according to your needs, with different colors and finishes.
