# Stellar Grape Pendant

Sebastian Herkner

## **DESCRIPTION**

Adding to a growing galaxy of illumination, the stellar grape pendant lamp appears as if a constellation of stars has fallen to earth. A frosted acetate finish, delicately adding just the right glow to your interior, softens each textured blown glass globe. Brought together by a black or champagne powder coated steel frame, this suspended family will leave you star gazing.

## **FEATURES**

- handblown glass colors include aubergine, smoky gray, or transparent
- base finished in black
- 13x LED filament bulbs
- also available as a floor light

## **DIMENSIONS**

- Ø24" x 26.8"H
