# Su Stool

Emeco

## **DESCRIPTION**

With the invisible values of design, engineering and strength, the SU Collection follows the Japanese aesthetic of 'su' — meaning plain or unadorned — the idea that simplicity is not only modest, but could possibly be more appealing than luxury. Cork is a natural rapidly renewable material that is biodegradable and recyclable. SU is made from reclaimed lumber and will show markings from its previous life, which may include color variation, worm holes, nail holes, mixed grain patterns, and weathering from age. We embrace these imperfections as part of the character and beauty of reclaimed wood

## **FEATURES**

- frame made of recycled aluminum with hand brushed or dark powder-coated finish OR wood
- seat available in reclaimed oak, cork, eco-concrete, or recycled polyethylene in red, charcoal, or flint
- also available as a low table and cafe table

## **DIMENSIONS**

- Small Stool: 14.8"W x 15"D x 18.5"H  
Counter Stool: 19"W x 18.5"D x 24"H  
Barstool: 19"W x 18.5"D x 30"H
