

minima

Sullivan

Rodolfo Dordoni

DESCRIPTION

A family of coffee tables whose shapes evoke the plasticity of Calder's art. The project is a play on the numerous combinations that arise through the free association of basic geometric shapes and unconventional materials. Structural details and a variety of finish choices imbue the Sullivan coffee tables with dramatic presence. Tapered legs or an option of wheels along with added ottomans make way for dramatic juxtapositions of shapes and materials.

DIMENSIONS

available in a wide range of dimensions and configurations

FEATURES

- four shapes: a triangle with rounded points, an elongated oval and classic round or square
- top finishes: Burled Walnut, white glossy lacquer, or Stratified glass
- legs: molded aluminum (exclusive design by Minotti Studio) with extra-glossy, antitouch Pewter finish to match the wood and glass tops
- glossy White finish only for the Silver Beola stone
